

Top Tweets from The 4th OR Tambo Debate 7 July 2015

Tim Fish @TimFish42 43 Jul 7 15
 .@NicSpaull "currently there are no consequences for non-performance in SA education system " @SECTION27news @equal_education #ortambodebates

Lynda Smith @LyndaSmith 50 Jul 7 14
 Parent education a key driver to the future of Grade 12 results. It starts at birth not in high school. @BrainBoosters2 #ORTamboDebates

Louise van Rhyn @louisevanrhyn 63 Jul 7 14
 Key message from speakers: we need quality leaders in our schools. We need to equip our principals with the skills they need #ORTamboDebates

Nic Spaull @NicSpaull 50 Jul 7 13
 "The quality of school education for black people is poor " - NDP Diagnostic Report #ortambodebates

Tim Fish @TimFish42 43 Jul 7 11
 .@NicSpaull:of 100 students that start school in SA only 5 will get a degree. @SECTION27news @equal_education @MG_Education #ORTamboDebates

SAESCoalition @SAESCoalition 45 Jul 7 11
 Zonke reminds us about the WHY behind teaching- keeping the learner at the center @leapschools @BridgeProjectSA #ortambodebates

Marius Oosthuizen @marius_oost 32 Jul 7 10
 Failure in education = a poverty trap, that simple. Accountability for non-performance is the key but capacity proceeds it. #ORTamboDebates

Victoria John @Victoria_JohnMG 39 Jul 7 10
 Motshekga talking about parental involvement like it's so easy. Easy for illiterate domestic worker moms coming home ngo-8? #ORTamboDebates

Bridge Project @BridgeProjectSA 49

barbara holtmann @bholtmann

If it were easy to fix our education system, it'd be fixed long ago. Embrace complexity. Share, learn, collaborate, innovate.

M&G Education News @MG_Education · 16h

"Because they're poor!", shouts someone from the crowd #ORTambodebates

M&G Education News @MG_Education · 16h

Why would 95% of children be attending school if system is not credible, asks Enver Surty #ORTambodebates

Tambo Foundation @TamboFoundation · 17h

Motshekga: we have lost the culture of families & communities assisting kids. Even illiterate parents can support their kids #ORTamboDebates

Arthur Preston @artpreston · 17h

@Walidbadawi One could argue that responsible leadership is by definition, accountable. #ORTamboDebates

Kaley Le Mottee @KaleyLeMottee · 18h

@NicSpaull argues that matric markers need to be assessed & trained. Competency is key! There is a need for POLITICAL WILL #ortambodebates

Victor TLOU Thindisa @Lepapatla · 18h

Capacity precedes accountability which in turn simply refers to consequence 4 incompetence & non-performance #ORTamboDebates @NicSpaull

CIE @CathEducation · 19h

Lack of accountability and lack of capacity are the 2 major issues- @NicSpaull #ORTamboDebates

Anne @MclennanAnne · 19h

Does more strategy help or actually just rolling sleeves and committing? #ORTamboDebates

Marius Oosthuizen @marius_oost · 19h

Can we have accountability in education when a key factor (teachers) is undermined by unionization? #ORTamboDebates
